

Pope Francis' Easter Prayer for **WORLD PEACE**

We ask you, Lord Jesus, to put an end to all war and every conflict, whether great or small, ancient or recent.

We pray in a particular way for Syria, beloved Syria, that all those suffering the effects of the conflict can receive needed humanitarian aid and that neither side will again use deadly force, especially against the defenseless civil population, but instead boldly negotiate the peace long awaited and long overdue!

Jesus, Lord of glory, we ask you to comfort the victims of fratricidal acts of violence in Iraq and to sustain the hopes raised by the resumption of negotiations between Israelis and Palestinians.

We beg for an end to the conflicts in the Central African Republic and a halt to the brutal terrorist attacks in parts of Nigeria and the acts of violence in South Sudan.

We ask that hearts be turned to reconciliation and fraternal concord in Venezuela.

By your resurrection, which this year we celebrate together with the Churches that follow the Julian calendar, we ask you to enlighten and inspire the initiatives that promote peace in Ukraine so that all those involved, with the support of the international community, will make every effort to prevent violence and, in a spirit of unity and dialogue, chart a path for the country's future. On this day, may they be able to proclaim, as brothers and sisters, that Christ is risen, *Khrystos voskres!*

Lord, we pray to you for all the peoples of the earth: you who have conquered death, grant us your life, grant us your peace!
